

Anderson Intelligencer.

—Walhalla boasts the purest and coldest water of any railroad town in the State.

—The Walhalla jail is entirely free from prisoners, and has been since the last term of Court.

—It is stated that Gen. P. M. B. Young, of Georgia, has declined to accept a prominent military position tendered him by a European power.

—Lyman K. Bass, who has been confirmed as Assistant Secretary of the Treasury, has informed the President that he will not accept the office.

—Dr. W. H. Todd, of Anderson, a graduate of the Baltimore Medical Institute, and a promising young physician, has recently located at Pickens.

—President Grant and his wife are on a visit to Southwestern Virginia, and have been stopping for a few days at the Greenbrier White Sulphur Springs.

—There is one man in South Carolina who strongly supports R. K. Scott for the next Governor. The name of this enthusiastic individual is R. K. Scott, formerly of Ohio.

—General James Shields is spoken of as a candidate for Senator from Missouri. The old hero has already been a Senator from Minnesota and Illinois, and will keep moving around.

—Gen. John B. Gordon, of Georgia, has been invited to deliver the annual address at the North Carolina State Fair, which commences in the city of Raleigh on the 17th of October.

—A number of energetic citizens in Mobile have taken measures to establish a cotton factory of large proportions, and propose to effect their purpose by fixing the stock at \$25 per share.

—The "irrepressible" Charles P. Leslie, of Land Commission fame, recently arrived in Barnwell County from his home in the North, and rumor states that he will be a candidate for the Legislature.

—The St. Petersburg Gazette announces that the railway officials have received orders to make arrangements for the Queen of England, who is expected to arrive in Russia about the 14th of September.

—The Springfield (Mass.) Union publishes a letter from Hon. Henry L. Daves, in which he says that, having served the district in Congress for eighteen years, he shall this year decline a re-nomination.

—In Germany, when the vote of the jury stands six against six the prisoner is acquitted. A vote of seven against five leaves the decision to the court, and by a vote of eight against four the prisoner is convicted.

—A Frenchman has discovered a new comet in the northwestern quarter of the heavens, which may be seen with an opera glass between 9 o'clock at night and 1 o'clock in the morning. It will soon be visible to the naked eye.

—Two weeks ago Mrs. Cook, of Blount county, Ala., missed her three children, the eldest only six years of age. Search was made and they were found drowned in the well. Mrs. Cook went crazy, and two or three days ago escaped from her attendants and drowned herself in the same well.

CERTIFICATES.

ANDERSON, S. C., May 11, 1874.

Mr. W. S. Sharpe—Sir: The Fifty Saw Brown Gin bought from you last season has given entire satisfaction in all respects. It cleans the seed better than any other Gin, and makes as fine sample of cotton as any I have ever seen. It runs very lightly, and its machinery is very simple in its construction. I take pleasure in recommending this Gin to any one wishing to purchase.

Respectfully,
B. C. MARTIN.

WILLIAMSTON, June 15, 1873.

Mr. W. S. Sharpe—Sir: In answer to your inquiry in regard to my opinion of the Brown Cotton Gin, I can say that I would not take it down to put up any other Gin that I am acquainted with. It runs very light; is no trouble to keep in order. To prove the last assertion, I ginned three hundred and twenty bales on mine and never removed the caps from the inks; in fact, I don't think I lost twenty minutes in all the time from anything wrong with the Gin. It makes a very good staple, and sells in our market at the highest prices.

Yours respectfully,
C. E. HORTON.

HALL TOWNSHIP, June 21, 1873.

Mr. W. S. Sharpe—Sir: We bought from you a Fifty Saw Brown Cotton Gin, on which we ginned 150 bales of cotton. We think it is the best Gin made. The Gin runs light, picks fast and clean, and makes a fine sample.

NOTICE TO PLANTERS—SOLUBLE PACIFIC GUANO.

THE highly satisfactory and remarkable effects of this Guano in producing very largely increased crops of Cotton, Corn and other Staple Crops, has attracted the general attention of planters and farmers. In order to confirm public confidence in the continued excellence of this Guano, and avail of the best scientific ability in the prosecution of this important business, the PACIFIC GUANO COMPANY has consummated a professional engagement with Dr. ST. JULIEN RAVENEL, of Charleston, S. C., as scientific Adviser and Consulting Chemist to the Company. Dr. Ravenel is conversant with the composition and qualities of the Guano, as well as with the character, policy and unusual resources of the Pacific Guano Company, and will communicate full information on these points to planters who may call on him, or address him by letter at Charleston, S. C.
